### **GENERAL INFORMATION**

1. You are responsible for shipping costs to Budapest. We will cover the shipping costs when returning the device to you.
2. If the device is within the warranty, then you are permitted one (1) voluntary refurbishment every two (2) years starting after the initial two (2) year Warranty is complete. However, this would mean that you are without a device for a short period of time, so you must coordinate this with an authorized Service Center.
